About our Program

On July 22, 2008 the police department's only K-9 passed away unexpectedly. D'Jango was only 7 years old and was well known throughout the county for his social demeanor and drug sniffing abilities. D'Jango and his handler, Officer Chris Kaupe, were frequent visitors to schools throughout the county where the children had an opportunity to play, pet him, and observe his abilities. This program is an important outreach activity of the department that will continue with the purchase of a new dog. **All proceeds of this event go towards the purchase and training of a new police dog as well as program costs.**
